I'm Luiz Eduardo, a passionate self-taught Front-end web developer and a freelance from Brazil. My passion for software lies with dreaming up ideas and making them come true with elegant interfaces. I take great care in the experience, architecture, and code quality of the things I build.

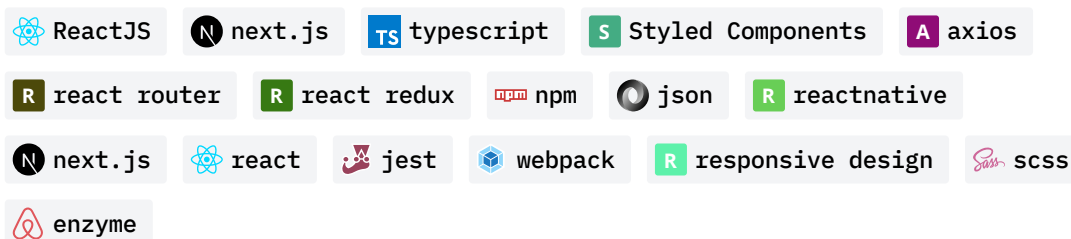

WORK EXPERIENCE

FREELANCER

Freelancer | Nov 2019 - Present

I am currently looking to make projects a reality, in addition to helping the open source community.

PROJECTS

MY WEBSITE

Front-end developer | Dec 2021 - Jan 2022
gotardo.vercel.app

My only website
